

CAMPO adrian

?

?

Les œuvres d'Adrian Campo proviennent de l'ancienne collection du psychiatre espagnol Gonzalo Rodríguez Lafora (1886–1971). On ne sait rien de sa vie excepté un court diagnostic: « Schizophrénie chronique post phase processuelle. Complexes sexuels. Asile de Tolède. »

The works of Adrian Campo were part of the former collection of the Spanish psychiatrist Gonzalo Rodríguez Lafora (1886–1971), who only wrote the following: "Chronic post-procedural phase of schizophrenia. Sexual complexes. Asylum of Toledo."
